ON the ROAD to LENT

New Sermon Series Starts Today ~ The Seven Signs of John

In the Gospel of John, signs are not merely miraculous events—they are revelations of who Jesus is. These signs point to deeper truths about his divinity, power, and the Kingdom of God. Throughout this seven-week series, we will examine key signs that Jesus performed in the Gospel of John and explore how they invite us to look for Jesus' work and presence in our lives today. Each week will focus on one sign, unpacking its significance both for the original audience and for us, as believers in the present day. This journey will encourage us to expect God's presence and action in our lives.
